

To: International Association of Physical Education and Sport for Girls and Women – IAPESGW

Letter of interest for the nomination of Vice President of the International Association of Physical Education and Sport for Girls and Women - IAPESGW (brief vitae attached)

I hereby submit this letter of interest to run for the Vice-Presidency of the International Association of Physical Education and Sport for Girls and Women - IAPESGW.

Having been vice-president of IAPESGW for the past four years, I intend to continue contributing to IAPESGW for the next term, promoting the growth and development of this association in order to achieve its goals and objectives.

The post-COVID-19 pandemic world has brought new challenges, but also new opportunities for IAPESGW to value *glocal* [global and local] projects to help to reduce gender inequality and more active life in different communities, to benefit active and sustainable lifestyle for girls and women and quality of education.

My experience in this organization and in other national and international organizations will contribute to articulate and systematize efforts to cope to these challenges.

Cooperation and exchange of groups and institutions, empowerment of women in physical education and sports, promotion of physical activity, opening up new opportunities, emphasis among intergenerational groups, and women's leadership will be the focal points of my contributions.

I look forward to fulfilling the wishes and desires of IAPESGW members.

Campinas, SP, Brazil, July 31st, 2021
